Dear Sponsor,

We are pleased to announce that the Medical Association of the Bahamas (MAB) will be hosting the 47th Annual Scientific Conference from March 13th - 16th, 2019 at the Grand Hyatt Baha Mar, Convention Center, Nassau Bahamas.

Under the theme: **"Pursuing your Passion; Medicine and Beyond".**

As usual, we have booked a combination of local and international speakers, who are sure to bring exciting, innovative and informative talks to our wide cross section of health care providers.

This year the MAB will be making history by collaborating with the Bahamas Dental Association and the Nassau Dental Society to provide a Dental Track. We expect that next year's conference will be the largest and most exciting conference to date and will target all levels of physicians, surgeons, dentists, dental auxiliary services and allied health care. The MAB is a non-profit organization that depends heavily on its sponsors and corporate partners to successfully hold a conference of this magnitude. In return we promise to provide you with the largest captive audience of healthcare professionals' to ever be assembled in the Bahamas for one event.

To this end, a variety of sponsorship opportunities have been created to allow each company to showcase itself as best suits its needs and budget. Companies will be able to select a package from the following list of opportunities:
