November 20th, 2016

Dear Conference Sponsor,

Medical Association of the Bahamas 45th Annual Scientific Conference 2017

We are pleased to announce that the 45th Annual Scientific Conference of the Medical Association of the Bahamas will be held **March 1st through 3rd, 2017 at the Atlantis Resort, Paradise Island.**

The theme for this conference is *“United by one goal: Quality healthcare for all patients.”*

Our theme is reflective of the fact that **every** person within the health care system can play an important role in providing a high standard of care for our patients. In addition we build on the idea that good health care requires **TEAM**work!

As in previous years, we have booked a combination of local and international speakers, who we are positive will bring exciting, innovative and informative talks to our wide cross section of health care providers.

With your support we hope to host our **biggest conference to date** as we expect increased participation from both medical professionals and our allied health colleagues.

To this end, a **variety of sponsorship** opportunities have been created to allow each company to showcase itself as best suits its needs and budget. Companies will be able to select a package from the following list of opportunities:
